Power of federal funding on display during Infrastructure Week

A light rail project between Maryland's Montgomery and Prince George's counties couldn't happen without the federal government's investment, Montgomery County Councilmember Hans Riemer said at a Capitol Hill briefing for Infrastructure Week, held by a coalition of local government and interest groups including NACo.

Stronger Counties. Stronger America.

The National Association of Counties (NACo) unites America's 3,069 county governments. Founded in 1935, NACo brings county officials together to advocate with a collective voice on national policy, exchange ideas and build new leadership skills, pursue transformational county solutions, enrich the public's understanding of county government and exercise exemplary leadership in public service.
