

FINAL POSTING

Monday, November 28, 2016

This will be my last posting on timalpers.com, Mono County tab. My last day as Mono County District 3 Supervisor will be December 31, 2016. It has been a pleasure serving you and reporting weekly on County activities. The Board of Supervisors accomplished many positive things in the past 4 years, but I am most proud of the fantastic team of employees that we assembled. As you know, I am a big believer in local government, especially County government as it exists and functions in California. It is a non-partisan body that focuses on local issues that affect our daily lives. One of our main charges is to protect the beautiful natural environment our residents and visitors enjoy so much. I feel I am leaving the County in good hands. My replacement will be Bob Gardner of June Lake. Bob is very enthusiastic about attacking the challenges that lie ahead for Mono County.

On a personal note, my wife, Pam, and I will be moving to Reno, Nevada, effective January 1, 2017. However, I will be spending a lot of time here in Mono County as I will be writing my next book. I will be writing a history of the Alpers Ranch on the upper Owens River going as far back as the early explorers of the eastern Sierra. I am excited to start on this historical project.

In closing, I want to thank all of you for your loyal support over the many years I have served Mono County as a businessman, educator and elected official. I will always remember the people of Mono County for that great gift. I especially want to thank Juli Ann Sprunger of JasDesign for servicing my website and providing you with many interesting articles and local updates. She's the best I've ever seen at her craft.

With my warmest regards and best wishes always.

A handwritten signature in black ink that reads "Tim Alpers". The signature is written in a cursive, slightly slanted style.

Tim Alpers, Mono County District III Supervisor (Ret)
