## Top Stories

### CSAC Urges Governor to Sign AB 21- Marijuana Clean-Up Bill

Assembly Bill 21 (Wood) will fix the inadvertently enacted March 1, 2016 deadline for localities to have cultivation ordinances in place, otherwise the state would become the sole licensing authority for medical marijuana cultivation.

### Governor's MCO Fix is Moving

Governor Jerry Brown has released a proposal for his MCO fix and hopes to have it heard in the Special Session on Health Care next week.

### Transportation Commission Cuts Capital Project List

Last week the California Transportation Commission (CTC) took action to lower its funding estimate for the State Transportation Improvement Program (STIP) due to continuing decreases in fuel tax revenues.

### From Our Policy Sections

Don't miss these important items in our policy sections!

## Budget

### LAO, Finance Differ on Revenue Projections

A familiar theme is emerging in the 2016 budget discussions: disagreement about revenue estimates.

## CSAC News

### CSAC Institute Offering February Courses Around the State

February marks the kick-off of the new series of technology management classes with "Performance Metrics and Customer Value Management." Classes in media relations in crises, leadership in ambiguity, customer service and understanding pensions are all offered next month.

### What is the Future of California Elections?

With a theme of "building partnerships for a stronger democracy," the Future of California Elections (FOCE) is offering a conference for election administrators, community organizations, and reform advocates.

### Community Choice Aggregation Symposium Slated for San Jose

The Center for Climate Protection is organizing an all-day symposium on March 4 in San Jose to accelerate California's shift to a clean energy economy.
